TO WHOM IT MAY CONCERN

This letter is to certify that Ms. Anika Tahsin has successfully completed her internship program of approximately 3 weeks with Bangladesh Computer Council (BCC). Her internship tenure was from 28th February, 2021 to 15th March, 2021. She was working with Software Quality Testing and Certification (SQTC) Centre Department and was actively & diligently involved in the projects and tasks assigned to her.

She went through a mandatory software testing training and was assigned two projects 1. Temple Based Child & Mass Literacy Program Software for Hindu Religious Welfare Trust and 2. Emergency Operation Dashboard for Ministry of Disaster Management and Relief overall. She reviewed the Software Requirement document and drafted the Test Plan, identified the test scenarios, wrote test cases and then executed said test cases for Temple Based Child & Mass Literacy Program software and Emergency Operation Dashboard. She gathered experience in functionality, acceptance and performance testing, testing and reporting tools, testing standard and documentation manner.

During the span, we found her to be punctual and hardworking. Her learning powers are good and she picks up swiftly. Her feedback and evaluation proved that she learned keenly. Moreover, her interpersonal and communication skills are brilliant.

We wish her a bright future.
